Storage (more info on canvas):

```
/home (NetApp NFS)
Network storage with data security,
but slow. Use to keep your data safe.
```

```
/srv/data (HDDs)
Local storage on mirrored drives.
Faster than /home, use for larger
data sets.
```

```
/scratch (NVME SSD)
Local storage with _no_ data security,
on failure all data is lost. Fast, use
for intermediate results and data
